

OUR HOTEL

Our goal is that you feel comfortable in our three star hotel. The ten light-flooded rooms with top-quality interior sets an atmosphere to feel good and relax.

Located within the quiet historic city center of Iphofen, next to the historical town wall, our hotel offers a good and comfortable night's sleep in 2.10 m long beds. You can enjoy the magnificent view over the historic city wall to the „Schwanberg“, which is scenically encompassed by vineyards from all of our rooms. The lovingly presented breakfast buffet is included in the room rates. Free parking is available on our parking lot next to the hotel.

In addition to the rooms, the hotel offers a spacious guest day room with a reading corner to relax and spend time. The adjacent balcony offers a possibility to enjoy sunny days outside breathing fresh air. By the way: You are lodging on historical grounds. The land was an already developed real estate before The Thirty Years War (1618 to 1648). The landmarked house has been in the family property since 1875 and was totally remodeled in 2004 to be re-opened as „Altstadthotel Bausewein“ by hotel owner Sabrina Bausewein.
